

SOLAR ENERGY CONTRACTOR SUPPLEMENTAL APPLICATION

COMPLETE IN ADDITION TO E-PAC PRIMARY APPLICATION
ANSWER ALL QUESTIONS. If not applicable, indicate N/A.

Name of Insured: _____

UNDERWRITING INFORMATION

- Are you licensed? Yes No If yes, type of license and license #: _____
- # of employees certified in solar energy installation _____
Name of entity providing certification (e.g. North American Board of Energy Practitioners) _____
- Does an individual certified in solar energy installation inspect all jobs upon completion? Yes No
- Type of systems you work on: Concentrating Solar Power Solar Photovoltaic Solar Thermal

Breakdown of Operations:

- _____ % Solar Electrical
- _____ % Solar Lighting
- _____ % Solar Heating/Cooling
- _____ % Solar Hot Water
- _____ % Solar Pool Water Heating
- _____ % Maintenance of Solar Panels
- _____ % Cleaning of solar panels
- _____ % Other (describe)

100% = Total

- If Solar Thermal, are components certified by Solar Rating & Certification Corporation (SRCC)? Yes No
- Percentage of each type of work:

New Construction	_____ %
Alterations / Remodeling	_____ %
Service Repair	_____ %
Maintenance	_____ %
Other _____	_____ %
Total	100%

Commercial	
<input type="checkbox"/> Hotel/Motel	<input type="checkbox"/> Retail _____ %
<input type="checkbox"/> Offices	<input type="checkbox"/> Other: _____
Residential	
<input type="checkbox"/> Custom Single Family	_____ %
<input type="checkbox"/> Tract Homes / Developments	_____ %
<input type="checkbox"/> Townhomes / Condos	_____ %
<input type="checkbox"/> Apartments/Dorms	_____ %
<input type="checkbox"/> Other: _____	_____ %

- Percentage of units mounted on the ground _____% or rooftop _____%

Total 100%

Rooftop Exposures:

- _____ % Flat Roof Installations
- _____ % Low Slope Roofs (9.5° - 18.5°, 1/12 to 4/12 pitch)
- _____ % Med Slope Roofs (18.5° - 37°, 4/12 to 9/12 pitch)
- _____ % Steep Slope Roofs (> 37° or > 9/12 pitch)

100% = Total

For rooftop, who does Structural Engineering Evaluation? _____

8. What is the maximum height of buildings you work on? (# of stories) _____

Jobsite Exposure

_____ % Ground Installation
_____ % Rooftop under 3 stories
_____ % Rooftop over 3 stories

100% = Total

9. Does the applicant install, maintain and service systems that comply with standards set by Underwriters Laboratories (UL)? Yes No If no, provide details _____

10. Is all equipment maintained and serviced in accordance with the manufacturer's operation and maintenance instructions? Yes No If no, provide details _____

11. What is the peak amount of power generated in the systems installed? kW or MW

12. Indicate if the following types of services are provided:

- a) Quantify the system to achieve customer electrical load and energy use targets. Yes No
- b) Environmental impact evaluation. (evaluate the impact on buildings, trees, local terrain and other obstacles at the client's site and surrounding area). Yes No
- c) Estimate the output performance for the client, including the impact on their utility bill for on-grid systems or energy contribution to an off-grid battery charging system. Yes No

13. Do you offer warranties (including for power production)? If yes, **attach** copies Yes No

14. Do you use Unmanned Aircraft (UAV aka Drone)? Yes No

15. Do you have a FAA Drone license? Yes No

16. Do you use the "Dig Safe" method? Yes No

a) What service do you use to identify the location of underground utilities? _____

SUBCONTRACTORS

1. Do you subcontract work to others? Yes No

2. What is the annual amount of work subcontracted to others? \$ _____

3. Type of work subcontractor: _____

4. Do you require all sub-contractors to enter into a writer contract? Yes No

Always Sometimes (describe) _____

5. If you have a written subcontractor agreement

Are there hold harmless and indemnification provisions in your favor? Yes No

Does the contract require you to be added to the subcontractors policy as an additional insured:

For Ongoing Operations? Yes No

For Completed Operations? Yes No

Does the contract require subcontractors to carry limits of \$1 Million or greater? Yes No

Do you require copies of insurance certificates prior to project start? Yes No

6. Do you have a record keeping process to maintain copies of contracts, certificates of insurance, additional insured endorsement for each project? Yes No
If yes, for how long do you maintain records? _____
